Subject: Fwd: Environmental Violations by Criminal Developer, Lennar, in San Francisco, California

Lily, if you think your letter is close to going out, we should send a reply to Enrique tomorrow or first thing next week. It could be attached to a note to him, either as a draft or as the final. I can help edit a note tomorrow afternoon if you get to it. Or next week.

Thanks, john

Lily, Next week can you draft a reply as best you can and I and possibly Jackie can edit it from our experience, then we'll send through Enrique.

Thanks, John

I know we received this same request/demand. Did we respond in some way?

I would like to send something back to Carol that explains the background, the continuing complaints by some, and what our role vs Navy has been and continues to be. Next week?

Thanks. Hunter's Point is a Superfund NPL site. Over the past two decades, there have been tensions over the clean-up (by Navy) and development (by Lennar) of the site, including particular attention to Yosemite Slough by the State oversight agencies and EPA Region 9. While I leave any criminal inquiry to Jay, I'm copying Enrique, our Superfund Director, for

his awareness. Thanks, A

Subject: Fw: Environmental Violations by Criminal Developer, Lennar, in San Francisco, California

Tuesday, September 2, 2014

Attn: Environmental Protection Agency

There is an unscrupulous/unethical developer in San Francisco, LENNAR, that is currently "developing" a portion of San Francisco called, "Hunters Point." Hunters Point used to be a shipyard and U.S. Navy repair facility for Navy Ships and various other equipment. Hunters Point has been sitting vacant for many years and for good reason--it is heavily contaminated with toxic substances and chemicals, including radioactive substances.

Recently, developer Lennar has been developing the Hunters Point site for residential and commercial development.

As previously stated, the problem with this site is that it is highly contaminated with numerous toxic substances and chemicals for at least 50 years. There is no safe way to remove these toxic substances from the Hunters Point site and these toxic substances shall remain at Hunters Point, in the land, water and air, forever! It has been duly documented about the toxic chemicals and substances that remain on the Hunters Point site. The department of the Navy has vast information about the CONTAMINATED AND UNUSEABLE LAND THAT OCCUPY'S THE HUNTER'S POINT SITE!

Lennar plans to build many residential apartment structures on the land at Hunters Point. These cluster apartment structures on the Hunters Point Site are unsuitable and unliveable for people and their kids. This land at Hunters Point is an UNSAFE Environment for any human to live on. The people and their small kids that occupy the cluster apartments at Hunters Point will surely get physically sick and their lifespan(s) will be drastically shortened because of the toxic substances that are located in their "new" neighborhood at Hunters Point. On line, at various websites, it has been documented that Lennar has already committed numerous violations of Environmental Law at the Hunters Point Site. Lennar also has been sued as well for these Environmental Violations. Lennar has not BEEN PUNISHED YET FOR THEIR VIOLATIONS OF ENVIRONMENTAL LAW.

Unscrupulous/Criminal developer Lennar is also about to undertake the worst development idea in the history of California--the Destruction of Candlestick Park, the parking lot and adjacent land! Candlestick Park is located about one mile from the Contaminated Hunters Point Site. There is a body of water called, "Yosemite Slough" that is located between Hunters Point and the adjacent land/overflow parking area at Candlestick Park (on the north side of Candlestick Park). There is a sign located at the north shore of Yosemite Slough that was placed by the Environmental Protection Agency that states, "...the water, soil and mud in this area (in and around Yosemite Slough) is CONTAMINATED WITH TOXIC AND HAZARDOUS CHEMICALS AND SUBSTANCES and you should not touch the soil, mud or the water..." Lennar plans to DESTROY CANDLESTICK PARK, the parking lot and the adjacent land (overflow parking area) and build cluster apartment and concrete buildings on every square inch of this land!

The land in and around Candlestick Park has also been documented to have hazardous and toxic chemicals contained in it. There is no safe way to ever remove these toxic substances from the land at Candlestick Park. If cluster apartment buildings are allowed to be built on this land, the people and their kids will surely get physically sick and end up suing the city of San Francisco and Lennar and possibly the

EPA FOR LIVING IN A CONTAMINATED LIVING ENVIRONMENT AND
NONDISCLOSURE
OF THE TRUE CONDITION OF THE CANDLESTICK PARK LAND AND
AIR CONDITIONS
THAT CAUSED THEM HARM!

The Environmental Protection Agency, has a job and duty, to
IMMEDIATELY STOP THE UNWISE, UNWANTED, UNNECESSARY, AND
CRIMINAL
DEVELOPMENT PROPOSED BY LENNAR AT CANDLESTICK PARK AND
GROUNDS AND AT
THE DEVELOPMENT AT THE HUNTERS POINT SITE. The EPA is further
obligated to legally PUNISH LENNAR FOR PAST AND CURRENT
ENVIRONMENTAL
VIOLATIONS.

Action must be taken IMMEDIATELY to STOP any further development by
Lennar at Hunters Point and STOP LENNAR FROM STARTING ANY
DEVELOPMENT
at Candlestick Park and grounds. Eminent Domain Proceedings must be
filed IMMEDIATELY by the Environmental Protection Agency and/or the
city of San Francisco so that Candlestick Park, the parking lot and
adjacent land cannot be developed or destroyed by LENNAR OR ANY OTHER
DEVELOPER, NOW OR IN THE FUTURE.

The action that the Environmental Protection Agency is obligated to
take to stop Lennar's development at Candlestick Park must be done
before September 30, 2014, as an auction is scheduled on this date to
sell the entire contents of Candlestick Park. Shortly after this
event is scheduled, LENNAR PLANS TO DESTROY CANDLESTICK PARK
BY
BLOWING IT UP!

AS YOU CAN PLAINLY SEE, TIME IS OF THE ESSENCE IN THIS VERY
IMPORTANT
MATTER TO SAVE CANDLESTICK PARK, THE PARKING LOT AND
ADJACENT LAND.

Thank you for your prompt attention and prompt action against LENNAR
AND THE HALTING AT ONCE OF THE HUNTERS POINT AND
CANDLESTICK PARK

"DEVELOPMENT(S) in San Francisco, California.
